Sauget Sites - Area I, Area II

Dear Mr. Child:

This will acknowledge receipt of your letters of March 12, 1990. I have no idea why these letters were sent to me.

On September 29, 1986, Midwest Rubber Reclaiming Company was sold to MBS Chem, Inc. It is my understanding that it is now a subsidiary of Rubatex Corp. I suggest you contact Mr. Ronald L. Adams at Rubatex. By copy of this letter, I am forwarding to Ron your letter of March 12th.

Sincerely,

Richard M. Cohen
